

NEW PARTNERSHIPS

Mark Rutherford are pleased to announce a new school partnership with **Leonardo Systems**. We will be working in collaboration with this company throughout the year.

Apprenticeship Evening

WEDNESDAY 21 NOVEMBER
6.30 TO 8PM - IN THE DRAMA HALL

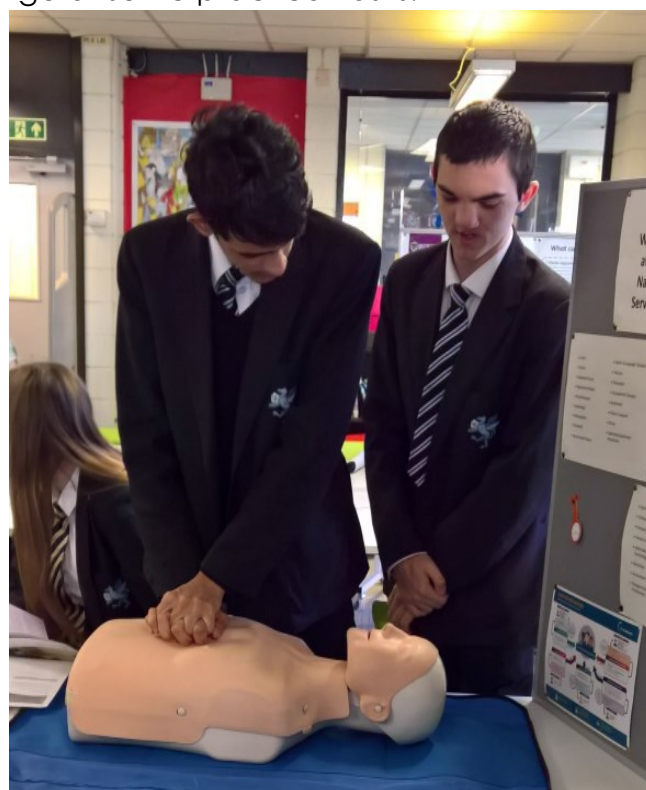

An opportunity for parents and students to find out about Apprenticeships and dispel any myths. We will have speakers from industry plus some of our own students who are currently in an Apprenticeship position. There will also be stalls from local training providers and companies for you to talk to.

Thirteen of our Year 11 students from last year have gone onto Apprenticeships in addition to a number from the Sixth Form.

Events This Half Term

We had our first Careers in Health and Social Care workshops.

This was specifically for students studying Health and Social Care; 57 students from Year 11 and the Sixth Form met with a number of professionals who talked to the students about their jobs; they also had a go at some practical tasks.

DATE FOR YOUR DIARY

WEDNESDAY 5TH DECEMBER
ENGINEERING EVENING
6.30 TO 8.00PM

This will follow a similar format to the Apprenticeship Evening with key speakers from the industry plus local companies to talk to.
