

Easter Revision Sessions 2019

Monday 8th April, Tuesday 9th April & Wednesday 10th April

The revision sessions will be taking place on the above days and the times for each session are as follows:

Session 1	08:55 - 09:55
Session 2	09:55 - 10:55
Session 3	11:15 - 12:15
Session 4	12:15 - 13:15

The timetable on the next page indicates what sessions are currently on offer for each session each day. Each block describes the focus of the session; the subject, teacher initials, level, topic and room number.

Students should be encouraged to choose the subjects that you are perhaps less confident in and would like more support in.

Please note these are extra sessions put on by teachers in their own time. You must appreciate this and ensure that you use this time to your benefit. On arrival to the sessions each day you must go straight to the room indicated and ensure you are registered. Any students late, seen wandering around or not behaving at all in any session may be asked to leave and sent straight home. During the break between sessions two and three you must remain in Piccadilly or outside in the area between the Main and B Blocks. Students are not expected to wear School uniform during the Easter revision sessions.

*Please note all sessions are for Year 11 students unless specified.
