MARK RUTHERFORD  
SCHOOL

September 2019

Dear Parent/Carer

At Mark Rutherford we have invested in the online behaviour and rewards system named 'Epraise' which many parents/carers and students are engaged in already.

This academic year we have been trialling the system to track the achievements of our students and to allow parents to book subject evening appointments, all with great success and feedback.

Following this success, we have decided to extend our use of Epraise to now include logging behaviour incidents and setting sanctions. Parents will now be able to see behaviour incidents and the follow up sanctions for their child via their app. Once downloaded, the app will send parents/carers 'push notifications' if their child receives a behaviour log or sanction from a member of staff.

Parents/carers that already use Epraise will automatically see this addition when they access the app.

Parents/carers that are new to this system must first go online to activate their account at [www.epraise.co.uk](http://www.epraise.co.uk), all you need is the email address that you have registered with the school. Once registered you can download the App free from the Apple or Android store.

If we do not have your current email address or you need to change your email address please contact the main office on 01234 290200 to update our records.

Mrs Frankie Brown

Assistant Headteacher  
Head of Novello
