MARK RUTHERFORD SCHOOL

10th December 2020

Dear Parent/Carer

As we approach the end of term I write to inform you of the arrangements for Friday 18th December 2020.

After a very busy and successful autumn term we are going to end with a mufti-day. Students can opt to wear their own clothes and pay £1; we are encouraging the students to enter into the spirit of Christmas by wearing something festive such as a Christmas jumper. We request that students do not wear hats and that they remember to adhere to our Behaviour for Learning policy, to include leaving school for their well-earned break. The money raised will be split between the national Save the Children charity and supporting the school in purchasing additional outside seating for students to use during social times.

In addition to the mufti day, students in the Sixth Form will be able to leave once all of their timetabled lessons between periods 1-3 have been taught. All of Year 12 are expected to attend the timetabled speaker session, period 3 that day, and will then be able to leave at 12.05pm.

We thank you for your continued support this term, particularly given the additional challenges brought by COVID and we hope you have had the opportunity to read about all of the highlights in our recently circulated newsletter.

Finally, I would like to take this opportunity to wish you a Merry Christmas and a Happy New Year and look forward to welcoming the students back in full correct uniform on Monday 4th January 2021.

Yours faithfully

Mrs Foster
Deputy Headteacher
