# MARK RUTHERFORD SCHOOL

September 2020

Dear Parents, Carers and Students.

I just wanted to write to thank everyone for their support this week. It has been really great to see the students returning and so many of them have said how happy they are to be back. Teachers have also said how wonderful it has been to reconnect with students.

I have been impressed with how the students have taken to the new rules and the effort everyone is making to keep each other safe. However, as we all know from the news, we can't be complacent, COVID-19 remains within our community.

We will be reviewing our risk assessment (which is on our website) regularly and I will communicate any changes we see as necessary as they happen.

We have had some parents/carers trying to access the site to drop students off. We have over 1400 students and staff coming onto site and we simply don't have the capacity to allow parental drop offs and it causes a risk on the school site.

Your continued support is much appreciated.

Yours sincerely

Mrs J Bloor  
Headteacher
