

# Dance A Level

## Course Description:

A Level Dance aims to develop your understanding of Dance as an art form. The practical elements of the course give you the opportunity to develop your choreography and performance skills. You will also develop your strength, stamina and flexibility to become a high quality practitioner. The course also requires you to analyse and interpret professional dance works and study the history of specific dance companies and genres. Advanced Level Dance will involve practical elements that demand strong commitment to extra-curricular rehearsals.

## Qualifications Required:

Minimum entry requirements apply, and must include a GCSE in Dance at Grade 5 or above and/or a strong dance background. Students are also required to have a grade 5 in English. Students who do not have a GCSE in Dance should see Mrs Talbot to discuss the possibility of taking the course.

## Aims of the Course:

Students will be required to study and write about dance works, different genres of Dance and the history of a professional dance company in depth as well as take responsibility for their own learning by doing background reading and research. They will be expected to develop their creative thinking when choreographing dances and analysing professional works. Students will also develop their leadership skills and communication skills through group choreography and group performance.

## Future Prospects:

You can progress on to:

Degree courses for Dance and Performing Arts.

Teaching or lecturing, choreography, community dance worker, performing in a Dance Company, Dance critic and review writer, creating Dance resources for teachers, costume, lighting and set design, or even a backing dancer in a music video!

## Student Feedback:

'Challenging course that is fun because we get to use our creative ability and showcase our work.'

'Dance is a subject which allows us to express our ideas, feeling and emotions.'

## Features of the Course:

This course would suit students who have a keen interest in dance as an art form. You will need to have the confidence and willingness to perform in a variety of situations as well as show imagination and creativity in their practical work. You will need to be able to articulate opinions in written form. It is essential that you attend as many professional performances and workshops as possible. Visits to see Theatre productions will be arranged for you to support and develop your learning as will workshops with professional Dance companies. Regular Technique classes are also run within school for practical support.
