

Year 13

Science

	Autumn	Spring	Summer	
B	3.5 Photosynthesis, respiration, energy & ecosystems 3.7 Conservation continued, Inheritance and populations	3.5 Nutrient cycles 3.6 Homeostasis, survival and response 3.8 Control of gene expression	3.6 muscles, essays, Exam prep	A level EXAMS
C	Physical & Organic Chemistry	Physical, Organic & Inorganic Chemistry	Revision	
P	P6 Further mechanics P7 Electric and magnetic Fields P8 Nuclear and particle physics	P9 Thermodynamics, P10 Space, P11 Nuclear radiation, P12 Gravitational fields, P13 Oscillations	Revision	
Ap Sci	Unit 8: Complete Musculoskeletal System. Unit 8: Lymphatic System. Unit 3: Diffusion, Enzymes, Plants in their Environment, Energy content of Fuels, Circuits.	Unit 3: Investigation Skill External Practical Exam Unit 8: Digestive System	Unit 3 Retake Unit 8 Completing outstanding Assignments
